

## STACEY SIMMONS, QSSP

Stacey Simmons is a National Sales Manager for Industrial Health & Safety at Bullard, a leading manufacturer of personal protective equipment and systems worldwide. Her sales responsibilities include the USA for all product lines that Bullard manufactures (head protection, face protection, industrial respiratory protection, powered air-purifying respiratory protection, fire helmets, and thermal imaging cameras). Prior to becoming a National Account Manager, Stacey was the Global Product Manager over the Head and Face Protection line. Stacey has attended her OSHA-30 hours and is QSSP trained, along with being the Product Chair of Industrial Safety Equipment Association's (ISEA) Head Protection Committee. ISEA is the leading association for personal protective equipment and technologies that enable people to work in hazardous environments. In 2022, Stacey earned ISEA's highest award, the Ryan-Wilson Service Award of Excellence!
